Hometown Heroes

Military Tribute Banner Program

As of Jan. 15, 2019 all current banner locations have been filled. If you wish to be placed on a waiting list, submit the application but do not send a check. When we are ready to start the rotation out, you will be contacted!

Each individual banner will be unique and will honor a soldier. The banner will include the soldier's photo, branch of service, and era of service. Any soldier active, living, or deceased is eligible for placement on the banner. We will be taking orders over the next few months, but the banners will be on a first come first serve basis. The project is non-political and non-partisan. This is a living memorial to those soldiers who served or are serving our country. Each banner will be approximately 22" wide by 65" high, and will display the sponsor name at the bottom. The cost of the banner will be \$ 95 which includes the banner, attachment hardware, and installation. The banners will be displayed throughout the town.

If you would like to sponsor a banner, please fill out the enclosed form and provide a photo of your soldier along with payment. Applications should be made payable to:
